At sign up must provide an \$80 deposit for your time slot, which will count as your first week's league fee and must provide handicap or average 18 hole score.

**League fees will be automatically charged every week for the duration of the league. There are no refunds. Highly encourage players to play each week but rescheduling can be accommodated.**

**How It Works:** Each team plays 9 holes on the course selected for that week. Both players submit their scores to Camron (in person or by email to [c.fortin@golf360academy.com](mailto:c.fortin@golf360academy.com)). If needed, players can request to adjust their selected time slot or make it up the following week, but all courses must be completed prior to playoffs.
